

FOCUS ON COMMERCIAL KITCHEN SOLUTIONS

Serve Up Some Instant Savings

Commercial kitchens are notorious for high energy use—as much as three times more per square foot than other commercial buildings like offices or retail stores. That is why FOCUS ON ENERGY® now offers **instant discounts** on qualifying equipment. Outfitting a commercial kitchen with ENERGY STAR® certified products could help you save more than \$5,300 a year on energy costs.*

Getting Your Discount Is Easy

All you need to do is purchase qualifying equipment, and we will take care of the rest. Talk to your sales associate for additional details.

Eligible ENERGY STAR certified equipment
