Use this form only when you are not able to provide your most recent tax returns, or your most recent tax returns do not show your self-employed income. Use this form when you have earned self-generated income of any kind. This income could be earned from a variety of sources, including registered businesses that you run or odd jobs that you do. Income tax returns are the preferred verification form for all self-generated income.

For all income from any source, enter the gross amount earned for each of the last 12 calendar months (prior to the date of the application or installation – if applicable) in the table on page 2. All expenses should be noted within the expense chart, separately from total income.

For example:
- *If you are applying on November 15, 2020, enter the gross amount of all self-employed income you earned for the period from November 1, 2019 – October 31, 2020.*
- *If you are applying on November 15, 2020 and your equipment was already installed on October 15, 2020, provide your gross income and expenses for the period of October 1, 2019 – September 30, 2020.*
